## INFORMATION SOURCES

**Certain information, such as earnings outcomes, can be different depending on where you plan to live and your individual situation and experience.**

**Total program costs** is the total tuition, fees and average estimated textbook and equipment expense for a student attending full-time who takes and passes every course currently required by the program at a single time at Chamberlain 2022-2023 tuition rates.

**Median tuition, books and fees paid** is the median amount paid to Chamberlain by students who graduated from this program in the 2020-2021 academic year. This amount is different than the total program costs and may be different for each student because students may transfer credits from other colleges, repeat courses that are not passed the first time or choose this program after first choosing other programs at Chamberlain.

**Median total debt** is the median total debt (federal, private and institutional loans) of students who completed this program in the 2020-2021 academic year.

**The median earnings two years after graduation** is calculated or compiled and reported by the U.S. Department of Education as part of the College Scorecard available at: <https://collegescorecard.ed.gov>. THIS DOCUMENT DOES NOT GUARANTEE EMPLOYMENT OR A CERTAIN SALARY RANGE, MEDIAN ANNUAL EARNINGS SHOWN MAY NOT REPRESENT ENTRY LEVEL EARNINGS.

**Completion rate** is the percentage of students entering this program for the first time during an academic year who completed the program within the published program length.

**The loan default rate for the program** is calculated by the institution and is based on the program of study for which the student was last enrolled before entering repayment. The default rate measures the percentage of students entering repayment in the year ending 9/30/2019 who defaulted on their loans within three (3) years.

**Loan default rate** is the percentage of borrowers entering repayment in the year ending 9/30/2019 who defaulted on their loans within three (3) years. The rate is provided by the U.S. Department of Education and can be found at <http://www2.ed.gov/offices/OSFAP/defaultmanagement/cdr.html>.

**Licensure pass rates** are provided by state licensing regulatory bodies to the institution. Where appropriate, state results are aggregated to produce a national average for the institution. Public availability of the testing results varies by profession and state.
