WHAT WILL I LEARN & EXPERIENCE IN MY STUDIES?

The MPAS degree program is designed to prepare healthcare professionals for the practice of general medicine in collaboration with a licensed physician and healthcare team. This campus-based program uses a medical education model and modular format based on organ systems to build on basic and healthcare sciences to provide in-depth preparation for the provision of medical care for patients across the lifespan and in a variety of clinical settings. Through didactic coursework and immersive clinical experiences, students will learn to diagnose illness, order and interpret diagnostic tests, conduct physical exams, develop and manage plans of care for individuals across the lifespan, prescribe medications, provide preventive healthcare counseling, and assist in surgery.

Graduates of Chamberlain's MPAS degree program will be prepared to:

- Apply the knowledge and skills necessary to provide compassionate, competent and culturally sensitive patient-centered care.
- Manage the healthcare needs and challenges of underserved populations
- Model and cultivate cultural humility
- Meet the needs of healthcare as a high quality physician assistants to help

WHAT SERVICES WILL I RECEIVE?

- Dedicated student service advisor to help plan coursework and develop a financial plan to pay for your education
- Online tutoring
- **Chamberlain Care® Student Success Strategies** on-demand modules covering time management, scholarly writing, study tips and more
- 24/7 access to our online library and database
- 24/7 access to the help desk
- Counseling, legal and financial planning services through the Perspectives student assistance program
- Career Services to guide the career search process
- Complimentary membership in the Chamberlain University Alumni Association

IMPORTANT INFORMATION ABOUT THE MASTER OF PHYSICIAN ASSISTANT STUDIES (MPAS) DEGREE PROGRAM "KNOW BEFORE YOU GO" FACT SHEET

INFORMATION SOURCES

Total program costs is the total tuition, fees and average estimated textbook and equipment expense for a student attending full-time who takes and passes every course currently required by the program at a single time at Chamberlain 2022-2023 tuition rates.

Median tuition, books and fees paid is the median amount paid to Chamberlain by students who graduated from this program in the 2020-2021 academic year. This amount is different than the total program costs and may be different for each student because students may transfer credits from other colleges, repeat courses that are not passed the first time or choose this program after first choosing other programs at Chamberlain.

Median total debt is the median total debt (federal, private and institutional loans) of students who completed this program in the 2020-2021 academic year.

The median earnings two years after graduation is calculated or compiled and reported by the U.S. Department of Education as part of the College Scorecard available at: <https://collegescorecard.ed.gov>. THIS DOCUMENT DOES NOT GUARANTEE EMPLOYMENT OR A CERTAIN SALARY RANGE, MEDIAN ANNUAL EARNINGS SHOWN MAY NOT REPRESENT ENTRY LEVEL EARNINGS.

Completion rate is the percentage of students entering this program for the first time during an academic year who completed the program within the published program length.

The loan default rate for the program is calculated by the institution and is based on the program of study for which the student was last enrolled before entering repayment. The default rate measures the percentage of students entering repayment in the year ending 9/30/2019 who defaulted on their loans within three (3) years.

Loan default rate is the percentage of borrowers entering repayment in the year ending 9/30/2019 who defaulted on their loans within three (3) years. The rate is provided by the U.S. Department of Education and can be found at <http://www2.ed.gov/offices/OSFAP/defaultmanagement/cdr.html>.

Licensure pass rates are provided by state licensing regulatory bodies to the institution. Where appropriate, state results are aggregated to produce a national average for the institution. Public availability of the testing results varies by profession and state.
